Operating Grant

Capability Development Initiatives

## Sports Resilience Package

**NEW**

# Operating Grant

**\$13.5 million**  
grant for key sports  
businesses to cover

Up  
to **25%**

of total operating expenses

Capped at \$15,000/month,  
for six months (Oct 2020 to Mar 2021)

# Capability Development

## Blended Initiative

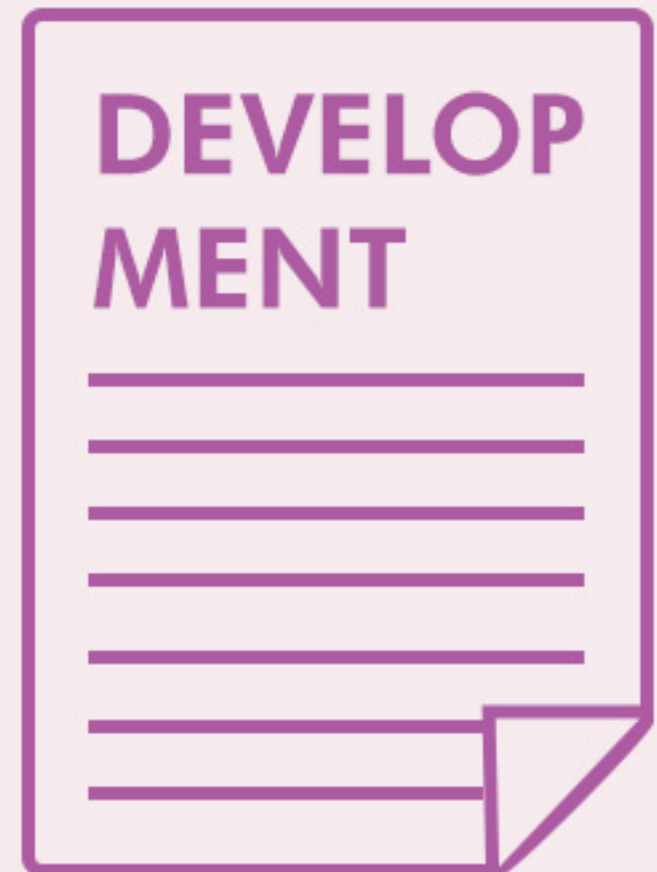

Target to support

More than **100**

projects

Expanded to cover eligible  
Private Academies and Clubs

This will be in addition to Event Organisers  
and Event Management Companies which  
are currently eligible

# Capability Development

## Digital Content Development

Support sports businesses and self-employed persons to enhance the quality of their digital productions and host content on ActiveSG Circle

This will support sports businesses in producing new content monthly, and expanding the range of content to meet the community's varied needs and interests

# Capability Development

## **Two types of training allowances for coaches**

Coaches registered under the National Registry of Coaches can receive \$10 per hour when they take up courses run by CoachSG (beyond the required Continuing Coach Education hours)

Coaches who participate in CoachSG's structured mentorship programme can expect to receive \$400 - \$600 per month
